Wallingford Court, Brampton, ON, L6Y4V7

Objective

IT professional with hands-on experience in web development, designing, and other technical support management, seeking a position where I can utilize my technical skills and continue to grow them to the next level. Highly motivated to contribute to dynamic teams and committed to continuous learning within the tech industry

Technical Skills

- **Programming Languages:** Java, Python, JavaScript, PHP, HTML, CSS, C, Swift, Flutter
- **Database:** MySQL
- **Tools:** Figma, Canva, Eclipse, Visual Studio, Xcode, PyCharm, Arduino
- **Concepts:** UI/UX Design, API Integration, Machine Learning Basics, CMS Development
- **OS:** Windows, macOS
- **Other:** Git, Google Analytics, Documentation & Testing

Experience

Web Developer (Zayn Technology | May 2023 - May 2024)

- Created wireframes, mockups, and prototypes in Figma and Canva for corresponding websites.
- Implemented customized website development using HTML, CSS, JavaScript, and PHP to create visually appealing web pages.
- Developed CMS sites using platforms like Shopify and WordPress, including gateway integration and SEO optimization.
- Managed backend connectivity, handled plugin configurations, and ensured site performance stability.
- Assisted in technical documentation and analytics configuration.

Education

Sheridan College, Brampton - IOT and Machine Intelligence (2025-2026)

Canadore College, Mississauga - Mobile Application Development (2024 – 2025)

KTU University - Bachelors of Technology (Computer Science and Engineering) (2018 – 2022)
